\*\* International students may substitute ENG 115/ENG 116. Successful completion of ENG 121 fully satisfies the college English composition general education requirement. Students who take ENG 121 and not ENG 111-112 or 115-116 may need to take an additional elective course to ensure that they complete a minimum of 60 credits. These credit hours must be chosen with the approval of the department chair or program coordinator.
